

Decorative Diffusers

LIGHTING
PLASTICS

Our Decorative Diffusers bring beauty and inspiration to any space, while softening harsh light and reducing glare. These translucent plastic diffusers are virtually unbreakable and Class A fire rated. UV inhibitors are added to prevent yellowing, ensuring the printed images remain clear and striking. Each diffuser comes in a nominal 2' x 4' size, allowing quick and easy installation into existing light fixtures or ceiling grid. We can also cut custom sizes to meet your unique needs.

AMERICAN TREASURES

Celebrate the natural and man-made wonders from across our great nation. Our *American Treasures* line of Decorative Diffusers contains a selection of images featuring breathtaking landscapes and towering monuments that can only be found in America.
